

USF ART IN HEALTH: ART OF ATTENDING FALL WORKSHOP SERIES 2019 FOR USF HEALTH STUDENTS + PRACTITIONERS*

SHARPEN YOUR

CLINICAL OBSERVATION

Great for all healthcare practitioners.

PARTICIPANT OBSERVATION

Great for public health and field scientists.

WHY

Research shows that training health practitioners in art skills improves visual awareness. **You see more. You see better.** Those practitioners make more and better observations in health contexts.

WHAT

Art in Health Workshops are specially designed arts-based experiences to engage health practitioners in the active practice of observation, communication and critical thinking skills with other students in health disciplines.
