

# USF ART IN HEALTH: ART OF ATTENDING

## SPRING WORKSHOP SERIES 2020

FOR USF HEALTH STUDENTS + PRACTITIONERS\*

### SHARPEN YOUR

#### CLINICAL OBSERVATION

*Great for all healthcare practitioners.*

#### PARTICIPANT OBSERVATION

*Great for public health and field scientists.*

### WHY

Research shows that training health practitioners in art skills improves visual awareness. **You see more. You see better.** Those practitioners make more and better observations in health contexts.

### WHAT

Art in Health Workshops are specially designed arts-based experiences to engage health practitioners in the active practice of observation, communication and critical thinking skills with other students in health disciplines.

### WHEN
