

Permission to Use/Post Student Work Online

Dear Parent/Guardian:

I am asking permission to post your child's art project onto the University of South Florida's Global Schools Project website.¹ The primary focus of documenting my students' work is to give other students and teachers the opportunity to experience these meaningful pieces of art. Only your child's work will be posted, along with a short description of the piece. Your child's full name need not to be published, if it is your wish.

I am requesting your permission to allow your child to participate in this unique classroom experience.

Note: This will be also linked on the USF Institute for Research in Art/Contemporary Art Museum website at <http://ira.usf.edu/>.

Sincerely,

(Your child's teacher)
